Hey Anna, these bundles need to be block as they come with more 94% fraud:

midasapps.fingertwister2
midasapps.fingertwister
com.android.thewongandonly.QuickDraw
es.eduxdream.ghost.detector

As for low eCPM we found these ones:

25605 - 360 Security 2.5:
com.skout.android
com.enflick.android.textnow
wp.wattpad
com.weather.weather
com.cmcm.indianews
